

## **Meeting with the widows on 10th Nov 2019**

On behalf of the Kyesiga widows please accept our heartfelt gratitude for the \$1000 donation to the window's purse.

The ladies were very happy and indeed grateful for this pleasant surprise. I have been watching these ladies slowly gaining hope as they continue to meet together and borrow from their "bank". At least now every member has something from which she gets income. Their lives are better than when I first met them.

May God increase your "store of seed"for making these women happy.

Your partner in ministry,

Sarah
